

## FSM UPDATE

Dear Parents/Carers

In relation to **Free School Meals**, we have completed our part which has taken longer due to issues with the voucher site and we are now waiting for Edenred to fulfil all the orders for the vouchers which should be with you soon.

Edenred have apologised for the delay and are trying to send out all the vouchers ASAP.

Four weeks' worth of vouchers will be sent to parents so you won't need to wait for them each week.

Many thanks for your patience with this matter.
