Parent Survey – Parent/Carer Comments

Landgate School has been a great school since the day I first visited. If I need help or have a concern they always assist me. My child loves school because they feel safe and loved.

School have high expectations that are achievable and appropriate for my child's overall development. It's really beneficial for my child to access the outside world as it promotes lots of independence and life skills. It's great that school offer this.

Landgate School is perfect for my child's education and educational needs.

All the staff are fantastic with all the children. The way staff engage with the children is above and beyond that I could have asked for in teachers.

The best school we have ever experienced!

I am very pleased with everything and everyone in the school. Can't praise the school and staff enough, everyone has been brilliant!

My child has progressed in ways we couldn't even have imagined since starting Landgate School.
